

German biotech-company looking for partners in Denmark

InVivo is a contract manufacturing organization (CMO) dedicated to the development and production of monoclonal antibodies and expression of recombinant proteins.

Based in Hennigsdorf, Germany, just outside Berlin, InVivo is an ISO 9001 certified company with over ten years experience in mammalian cell culture and protein production. As a trusted provider of cost-effective outsourcing solutions, InVivo has worked with a large number of satisfied clients. Companies of all sizes, including small university spin-offs, major research institutes, and biopharmaceutical companies, have taken advantage of our expertise as an independent contract manufacturer.

InVivo is currently looking for a Danish partner; please find more information on www.invivo.de.

If you are interested please contact the German-Danish Chamber of Commerce:
