HanseBelt Future Congress 2025:

Zusammen Richtung Zukunft. Sammen mod fremtiden.

Thursday, 18 September 2025 | 03:00 PM - 09:00 PM | Admission from 02:00 PM

Eventfabrik Neustadt, Am Holm 82, 23732 Neustadt/Holstein

Dear HanseBelt members, partners, and friends,

We are pleased to invite you to this year's HanseBelt Future Congress, held in cooperation with the Lübeck Chamber of Commerce and Industry. Look forward to Claus Ruhe Madsen, Trine Birk Andersen, and many best practice examples of how German-Danish cooperation is already thriving today. Discover the opportunities and potential of German-Danish collaboration, and take advantage of the space for exchange, inspiration, and networking.

Maike van den Boom, author of "Acht Stunden mehr Glück", will open the congress with a keynote on German-Scandinavian corporate culture. A panel discussion will then bring together different perspectives on the opportunities and potential of the Fehmarnbelt Fixed Link. The program will be complemented by thematic discussion rounds showcasing best practice examples on how to successfully expand to "the other side of the tunnel." In addition, there will be information on the legal and tax frameworks that must be observed in both Germany and Denmark.

Throughout the congress, there will be many opportunities for networking - and for meeting new sparring partners on both sides of the border (and beyond).
